Funeral arrangements are usually made immediately following a death in the family. Now you can pre-plan the funeral and pay for the arrangements in advance. By pre-planning, you'll eliminate the pressure of time and confusion that accompany grief, and save money.

# Is Your Parish In Need of Additional Funding? Have You Thought of a Professional Fund Raising Firm?

The O'Brien Company has been privileged to work with and for many of the Parishes of the Archdiocese of Boston to help raise funds for different purposes, such as:

- to build a new Church or Parish Center

- to renovate your present Church or Parish Center

- to repair or to replace a Church or School Roof

or

- to increase the weekly offering of your Parishioners

Whatever the reason, Tom O'Brien Sr. and Tom O'Brien Jr., with a combined experience of 50 Years in the field of fund raising for the many institutions of the Church, are ready to provide a well-proven method of raising the necessary funds in a manner which is successful and, at the same time, sensitive to Priest and Parishioner alike. If you are interested in learning more of this well-proven and well-accepted approach to successful fund raising, why not allow the O'Briens, who conduct each campaign themselves, to meet with you to discuss a personal survey of a limited number of Parishioners to determine the feasibility of conducting a Parish Fund Raising Program? Please call (203) 725-6479 for a no-cost visit to discuss what may well be the solution to this omni-present problem which faces just about every Parish in every Diocese throughout the Country.

Before doing so, you may want to contact some of the Parishes we have been privileged to serve. A partial listing of these Parishes appears below.

We wish you health, happiness and success in your much-appreciated ministry-to-many.

The Task of this Office is the development of programs which will nourish true spiritual growth for the Archdiocese of Boston. The major focus of this Office is service to the parish as that place where individuals and the community of faith are nourished and enabled to live out of the Christian vocation: life open to a deepened experience of God life drawn from the Sacraments, personal and communal prayer, directed by His Word and expressed in service to His People. With the particular focus of fundamental spirituality, this Office seeks to be a catalyst for evangelization through the ongoing renewal of the faith life of individuals and parish communities.

At present, the mission of this Office is expressed through: PARISH RENEWAL PROGRAMS - an ongoing program which has as its components the Initial Retreat, Evenings of Prayer, the Parish Mission and further direction regarding continuing Revitalization and Evangelization. The Office is able to provide this program in parishes which have a predominant language other than English.

# SULLIVAN ELECTRONICS

# (Sullivan Sound Systems)

We are entering our twenty-seventh year of service to the Archdiocese of Boston. We have over NINETEEN-HUNDRED INSTALLATIONS in churches, schools, parish centers, auditoriums and playing fields throughout the dioceses of Boston, Worcester, Manchester, Portland, Newark, New York and Tampa.

When we design your system, it is not a copy of another system which has been used over and over again. It is as different from our other church designs as your church is from all others.

Our staff consists of degreed electronic engineers, technicians and licensed electricians, who have been teaching electronics, electricity and acoustics for many years.

In 1993, we completed over 100 church and school installations and the greatest selling electronic device was (and is) the wireless microphone system. At St. John's in Concord NH, they do not use wired microphones.

#### **EXAMPLES OF SYSTEMS INSTALLED**

School intercom, bell, clock, camera, bingo, electronic church bell, intrusion alarm, church lighting, classroom and office computer systems, playing field sound reinforcement, remote-controlled cassette tape recorders and players.

## **Pontifical Decorations**

The Holy See confers various titles, orders, decorations, and other honors on certain persons, usually lay people, who in some special manner have distinguished themselves in furthering the well-being of humanity and of the Church.

The Supreme Order of Christ was started by Pope John XXII in 1319. Today it is the supreme pontifical Order of Knighthood, conferred only on very rare occasions.

The Order of the Golden Spur follows the Order of Christ as a pontifical decoration. It has one class of 100 Knights, and is awarded only to those who have furthered the cause of the Church by outstanding deeds. It is bestowed also to non-Catholics.

The Order of Plus IX has three classes, Knights of the Grand Cross, Commanders, and Knights. It is awarded also to non-Catholics.

The Order of St. Gregory the Great was founded by Pope Gregory XVI in 1831. It has two divisions, civil and Military, each of which is divided into three classes: Knights of the Grand Cross, Commanders, and Knights.

The Order of St. Sylvester, instituted in 1841, like the Order of St. Gregory, has three classes

The Order of the Holy Sepulchre is considered one of the oldest of pontifical honors; it is today highly prized in Europe. It has been bestowed on kings and nobles, on heads of republics, on persons outstanding in arts, letters, and science, on those who in special manner have served the Church. Unlike other orders, this is bestowed on clerics and women

The Order of Knights of Malta is the oldest order of laymen and prelates in the Church. Founded in the eleventh century, it traces its history to the Hospitallers of St. John of Jerusalem and to the Knights of Rhodes. Their membership comprises commanders and several classes of knights

The medal "Pro Ecclesia et Pontifice'" was instituted by Leo XIII, that great "'Pope of the Workingman," in 1888. It is awarded in recognition of special services to the Church and the Pope.

The "Benemerenti'" medal was instituted in 1832 by Gregory XVI, of two classes, civic and military, in recognition of outstanding daring or courage

- In his painting of Sacred Heart Church, West Lynn, North Shore artist Norman J. Gautreau has depicted the image of Jesus looking with tenderness, love and mercy over the people of the parish.

Established in 1894. Sacred Heart Parish was founded to serve the increased spiritual needs of a rapidly growing West Lynn population. In the beginning Mass was celebrated in a building on Wyman Street. The present renaissance style brick church was dedicated by Cardinal O'Connell on September 29, 1912.

A parish school on Robinson Street was dedicated in 1902 and staffed by the Sisters of Notre Dame de Namur until 1930 when the Sisters of Saint Joseph assumed the teaching responsibility. In 1989 the school was moved into the renovated Msgr. McDonnell Center behind the church. Today, the school staff includes two Sisters of St. Joseph and 12 lay faculty.

This centennial celebration fills us with gratitude to so many - both past and present — who have helped make Sacred Heart Parish a welcoming family of faith.

#### A Musical Celebration! Amazes Capacity Crowd

Might the new Rodgers 805 be the best \$25,000 organ in the world? Could it be compared with a venerable Æolian-Skinner pipe organ—and survive?

IS

m,

0

On September 10 a capacity crowd came to Christ Church in Needham to find out. Rodgers Organs of New England's own talented staff put the 805 through every possible sort of challenge. Like a great choir, the audience responded in All Creatures of Our God and King and Now Thank We All Our God. The sounds of full orchestra and organ shook the rafters in the Saint-Saens Organ Symphony. An electrifying performance of The Vengeance Aria from Mozart's "Magic Flute" held the audience riveted. Dialogues between the Rodgers and the Skinner made for a dramatic comparison of digital and pipe. Finally, as if the 805 graduated after passing all its tests, Pomp and Circumstance brought the audience to its feet in a concluding ovation.

Is the Rodgers 805 the best \$25,000 organ in the world? Why not judge for yourself? We've made *A Musical Celebration!* available on cassette so you can share the excitement of this special evening. For a limited time, it's our gift to you.

Call or write for a free cassette and information on our family of musical instruments.

# What better way to return thanks to God than to make a gift that will carry on in perpetuity?

The just man's sacrifice is most pleasing,
nor will it ever be forgotten.
In generous spirit pay homage to the Lord,
be not sparing of freewill gifts.
be not sparing of freewill gifts.
With each contribution show a cheerful countenance,
and pay your tithes in a spirit of joy.
and pay your tithes in a spirit of you,
and pay your tithes he has given to you,
generously, according to your means.
(Sirach, 35:0-9)

An endowed gift will establish a permanent fund that will provide your Church with interest income long after your initial gift has been made.

Your endowed gift, whether contributed outright or through your estate, can be designated for the Archdiocese of Boston, your parish, Catholic schools, or member agencies.

For further confidential information to assist you in planning your endowed gift, please contact

We're a full service, family owned company, offering everything from preliminary surveys to tuckpointing, waterproofing, painting, caulking, roofing, chemical cleaning, and much more.

We're proud of our track record of excellence. And especially proud of the many projects we've completed for the Archdiocese of Boston. If you're considering a project, or need help in planning, please call Ron Plante today.

Our Savior asserts that the whole law and the prophets depend on these two commandments: Love of God and of our neighbor. These two are signified in the one Spouse of the Church, Jesus Christ, who is at the same time our neighbor and God, brother and lord, king and friend, the Word uncreated and incarnate, our maker and remaker, the Alpha and the Omega, who is the Supreme Hierarch, who illumines and perfects his Spouse, that is, the entire Church and every holy soul.

Joy is not simply a matter of temperament. In the service of God and souls, it is always hard to be joyful all the more reason why we should try to acquire it and make it grow in our hearts. Joy is prayer; joy is strength; joy is love; joy is a net of love by which we catch souls.

The just man's sacrifice is most pleasing,

In generous spirit pay homage to the Lord,

Give to the Most High as he has given to you,

generously, according to your means.

#### TOWER AND STEEPLE RESTORATION PROJECTS \_\_\_

Tower and steeple restoration present a unique set of challenges. First of all, a large percentage of towers and steeples exceed 100 feet in height and are over 100 years old. Generally repair programs for these structures are overlooked because the difficulty of the task demands a highly specialized attention to detail. Consequently, decades, even centuries often go by before projects are addressed, and deterioration can be extensive. As a result there is a huge demand to retool our monumental structures.

### PERSONAL PRELATURES/OPUS DEL

PERSONAL PRELATURES are governed by statutes sanctioned by the Holy See and consist of a Prelate, who is the Ordinary of the Prelature, its own incardinated clergy, and lay persons (not necessary in all prelatures), who dedicate themselves by contract to the apostolic works of the Prelature. Unlike personal dioceses, which are autonomous with respect to the local Church, such as those constituted for the faithful of a particular rite, personal prelatures are based on the principle of insertion into the local Church with some particular pastoral service there.

OPUS DEI (Complete name: Prelature of the Holy Cross and Opus Dei.) Legal title: The Work of God, Inc.

A personal prelature of the Catholic Church whose purpose is to foster among men and women of every walk of life a profound awareness of the universal call to sanctity and the pursuit of holiness and apostolate, freely and on their own responsibility, in their ordinary work and place in society.

Lord, make me a channel of thy peace
That where there is hatred I may bring love,
That where there is wrong I may bring the
spirit of forgiveness,

That where there is discord I may bring harmony,

That where there is error I may bring truth,

That where there is doubt I may bring faith,

That where there is despair I may bring hope,

That where there are shadows I may bring thy light,

That where there is sadness I may bring joy.

Lord, grant that I may seek rather

To comfort — than to be comforted;
To understand — than to be understood;

To love — than to be loved:

For it is by giving that one receives;

It is by self-forgetting that one finds;

It is by forgiving that one is forgiven;

It is by dying that one awakens to eternal life.

St. Francis of Assisi

### THE COVENANT FOR JUSTICE, EQUITY AND HARMONY

Because as People of Faith we believe we are both brothers and sisters and the creatures of one God:

Because as Americans we are committed to the fundamental constitutional principle that all people are created equal and are endowed with certain inalienable rights to life, liberty, and the pursuit of happiness:

Because we know that Freedom for everyone is the only climate conducive to full development of the human spirit:

And because we have witnessed in our society and in our city enough of conflict and violence so as to threaten the very fabric of our freedoms and diminish the dignity of all:

Be it here resolved:

(1) That we seize the moment for a new day of peace and harmony in our common existence:

(2) That in our deeper reverence for the God who commands us and for the nobility of humankind that impels, us, we denounce every form of violence in every neighborhood, we lay aside the weapons and words of political conflict, the taunts and jibes of insidious disrespect:

(3) That we reject outright any and all special interest groups and leaderships that serve only to deepen our divisions and entrench us, angered, into separate camps.

(4) That we perceive the legitimate struggles for equal justice and rights for everyone not as a cause that divides us, but as the imperative that unites us:

(5) That we only respect but even celebrate the richness of our varied cultures, manners and traditions as they each, and together, contribute to the unique tapestry of our city.

(6) That in prayer, in attitudes, we foster a new mood of healing and forgiveness so that we transcend not only our differences but even our grievances.

(7) That here and now, at this time and in this city, we stand committed to bring fulfillment to a dream that must compel us all: "When all God's children, black people and white people, Jews and Gentiles, Catholics, Protestants, and Muslims will be able to join hands and sing..." Free at last. Thank God Almighty we are free at last!!!"

Free! right here in Boston. Free! from violence.
Free! from hatred. Free! from fear of one another

Free! to live together. Free! to learn together.

Free! to build together. Free! to celebrate together

Free! to pray to God together.

May God the Merciful witness our covenant, and out of the harmony of our differences may He grant us unison, in will and wisdom, to keep it.

You are the light of the world. A city set on a hill cannot be hidden. Men do not light a lamp and then put it under a bushel basket. They set it on a stand where it gives light to all in the house. In the same way, your light must shine before men so that they may see goodness in your acts and give praise to your heavenly Father.

### CONGREGATION OF HOLY CROSS

The Congregation of Holy Cross was founded after the French Revolution. In 1837, Father Basil Moreau joined into one congregation the Brothers of St. Joseph and the society one congregation the Brothers of St. Joseph and the society of priests, dedicated to preaching, that he had recently established. Since its foundation, the congregation has served diverse needs of the Church, in educational, pastoral, and overseas apostolates. In 1841, it founded the University of Notro Dame, Indiana and in 1948, Stonehill College, North Easton, Father Moreau's vision of a religious congregation where laily and priests enjoyed perfect equality and shared their labors for the kingdom in perfect mutuality was as visionary for his times as it is instructive for ours.

THE THREE PRINCIPAL FEASTS OF THE YEAR ARE:

- 1. Christmas commemorating the birth of our Lord.
- 2. **Easter** celebrating the Resurrection (Easter is always the Sunday after the first full moon following March 21 and determines the position of the different seasons of movable festivals of the year.)
- 3. Pentecost celebrating the Descent of the Holy Ghost upon the Apostles. Every day of the year the church commemorates her saints (Sanctoral cycle) and encourages the faithful to imitate them.

The Order of Alhambra has three major purposes or goals:
To promote social and fraternal associations among its members,
To commemorate Catholic historic places, persons or events,
And to assist and provide means to further the cause of the developmentally disabled.

The Order of Alhambra is a fraternal organization of Catholic men. Membership is open to all men of the Catholic faith who are interested in giving a little of their time and energy toward promoting the cause of the developmentally disabled.

Membership provides an opportunity to men of common faith for fellowship, friendship and fun. It provides an opportunity for personal growth and leadership development. Members and their families share a mutual friendship as a result of the many activities and social events designed for the whole family.
